

Get Covered with Quality, Affordable Health Insurance

If you missed open enrollment, you could still get covered.

The Health Insurance Marketplace offers high-quality, affordable health insurance plans to Missourians. Although the Open Enrollment Period for 2022 is over, many people can qualify to enroll or change their current Marketplace plan during a Special Enrollment Period. **A Special Enrollment Period is a time outside of Open Enrollment when some people can enroll in or change an insurance plan in the Marketplace.**

Qualifying Life Events

To qualify for a Special Enrollment Period to get covered or make changes to your existing 2022 Marketplace plan, you must have a **qualifying life event**. These are big events in your life that may allow you to enroll in a health insurance plan outside of the annual Open Enrollment Period. These include:

Losing Your Health Insurance

Losing job-based coverage, losing individual health coverage for a plan or policy you bought yourself, losing eligibility for Medicaid or CHIP, losing eligibility for Medicare, losing coverage through a family member

Change in Your Household

If you got married or divorced, or legally separated, had a baby, adopted a child, or placed a child for foster care, or if the previous policyholder died.

Change in Residence

Moving to a new ZIP code or county, moving to or from the place where you attend school, moving to or from a shelter or transitional housing, moving due to seasonal work

Qualifying Income

If your income is less than or equal to 150% of the Federal Poverty Level (\$19,320 per year for an individual or \$32,940 per year for a family of three)

Other Reasons

Change in income, leaving incarceration, becoming a U.S. citizen, starting or ending service as an AmeriCorps State and National, VISTA, or NCCC member

You Were Impacted by COVID-19

If you were unable to sign up by January 15, 2022 due to the COVID-19 pandemic (for example, if you were in the hospital), you can possibly get extra time using an Exceptional Circumstances special enrollment period.
